It's a pleasure to welcome you all back to Whistler. It's even more of a pleasure to welcome you to the 2010 Olympic Games. We are confident the team we have assembled here in Whistler will bring memories that will last a lifetime. A lot of time and effort has been put in over the past four years to make this a great competition and I'm sure you will notice a lot of changes that have taken place at the Whistler Sliding Centre.

Ladies and gentlemen, sport friends: I'm pleased to welcome you to the first team captains' meeting for the 2010 Winter Games. Our president and general secretary also welcome you here today. They're on the way to Whistler but unfortunately didn't make it in time for the first team captains' meeting. We're convinced this is a great venue and a big thank you goes out to the whole VANOC team.  
  
All the best to the athletes and hopefully no injuries. We're looking forward to an exciting Games. (I'm happy to welcome our general secretary, who has just arrived.) All the best to the teams and enjoy your time in Whistler.

## TEAM CAPTAINS MEETING MINUTES

TUE 9 FEB / MAR 9 FÉV START TIME / DÉBUT 15:00

Doubles: February 16

Sled checks will be available at the same times on February 11, 14 and 16. If a sled is checked, the TDs will be putting a sticker on the sled. It simply signifies that the sled has been looked at - it does not exclude it from being controlled during the race.

14. Medical: There will be a meeting February 10 at 1400 hours in the medical trailer for all team medical staff. It will be conducted by the chief medical officer.
15. Weather Forecast  
Weather forecasts are available in the mailboxes daily. Mailboxes are in the race office.
16. Pit row: located at men's start on the large concrete dock in the tent. Each station has been designated an area for the teams' use. Please do not change or modify the areas. There is also a small sled prep area on lower women's/doubles start.
17. Track walk today was the only track walk athletes and coaches would be allowed in the track. Future track walks are not allowed in the track.
18. Inlay Controls  
Bjoern advised there have been small changes to the procedure. If the inlays are sticky from the double-sided tape, we will use acetone to clean them and do the tests on 1.1 mm. At the start there will be someone from staff to do the measuring and Bjoern will instruct them correctly.
19. Family and Friends Training Event  
Three sessions are available for family and friends to attend training: Men February 11, Women February 11, Doubles February 15. This is a free, ticketed event and tickets must be picked up from the race office. Maximum two tickets per athlete. Please pick up these tickets prior to the start of training tomorrow. When you pick them up there will be more instructions for you.
20. IOC Rule 51  
Effective starting tomorrow, Rule 51 of the Olympic Charter as it relates to the use of authorized identification comes into effect. If you have any questions regarding Rule 51 please direct them to Bjoern Dyr Dahl or Claire DeINegro. Please remember that if there are infractions to Rule 51 it can result in a disqualification. This was all in your pre-Olympic handout.
21. The race office is located in the first trailer outside the building. We welcome any of your questions. If we can help in any way the race office staff would love to help you.
22. IRO Rule 3.9  
The 7% rule during training is going to be implemented. There will be no exceptions.
23. Access Control at Start and Finish  
For team support personnel we will issue armbands for the start and finish that will allow access to either the finish or the start. Those armbands will be handed out at the next team captains' meeting during the draw. During training there is no control over access; you can access the docks.
24. Next team captains meeting (Track Lodge): men's draw meeting February 11 at 18:30; Women's February 14 at 21:30; and Doubles draw February 16 at 17:00.

## TEAM CAPTAINS MEETING MINUTES

TUE 9 FEB / MAR 9 FÉV START TIME / DÉBUT 15:00

What about athlete shuttles and is there room for sleds underneath?

The shuttles will be 'bump and run': as soon as one is full another will be brought into rotation. The buses are 26-passenger buses that are full when 16 people are on the bus so that sleds can be taken onto the bus.

Will the TV tests be on both or just the last run?

On the third day there will be TV cameras on both runs.

Reminder: During systematic training there is no timing. Controls are also at the same time as weigh ins.

28. Adjournment  
Meeting adjourned at 15:52.

## TEAM CAPTAINS MEETING MINUTES

THU 11 FEB / JEU 11 FÉV START TIME / DÉBUT 18:30

Call to Order: 18:35

Welcome: Mark Hatton welcomed all back after a successful day's training.

Mark Hatton introduced dignitaries: Harald Steyrer, FIL Vice President of Finance; Geoff Balme, Oceana; Hartmut Kardaetz, FIL Executive Director; IOC Technical Delegates Bjoern Dyrdaahl and Claire DeINegro; FIL Sport Coordinator Karl-Heinz Anschuetz.

Race Director Ed Moffat welcomed all team captains, special guests, jury members, technical delegates and race officials. He stated the plan is to go through the agenda and the confirmation of groups. However, the draw will not be done until 11:30 a.m. tomorrow. Scheduling issues have been worked out, allowing the draw to take place after final run as IRO requires and at the same time allowing all to attend the opening ceremonies.

As with first meeting, hold questions to a brief question period at the end of the meeting.

Rick: Role call: Twenty-five nations present: ARG, AUS, AUT, BUL, CAN, CZE, FRA, GEO, GER, GBR, IND, ITA, JPN, KOR, LAT, MDA, POL, ROU, RUS, SLO, SUI, SVK, TPE, UKR, and USA.

Schedule for men's competition:

- Run 1 & 2: Saturday, February 13, 17:00 – 20:35 hrs
- Run 3 & 4: Sunday, February 14, 13:00 – 16:50 hrs

Forerunners: There will be 3 forerunners prior to each run.

Controls Weigh in – IRO Supplement 4 (OWS) Rule 1.7:

- Runs 1 & 3: 6 drawn athletes with 3 from the A group
- Runs 2 & 4: no controls
- Control of the sled and race equipment can be done at the request of the Technical Delegate
- The steel temperatures of the best 10 athletes from the 1st and 3rd runs will be controlled after the 2<sup>nd</sup> and 4<sup>th</sup> run respectively.
- Can expect some random anti-doping between runs 2 and 4.

Women's weigh in will take place February 13, Doubles February 16 and as with men, it will begin at the end of the 1st training run and end one hour after the 2nd run is complete.

Sled checks will be conducted at the same time as the weigh in. The TD will be placing a sticker on the sled to signify he has already seen the sled. It does not signify that the sled is exempt from control during the race. Refer questions about the sticker and the process to the TD.

The plan continues in place for sun shades but the weather forecast means we will likely not need to worry about shades during runs 3 & 4. Shades will be open during runs 1 & 2 because of the timing of the runs.

Access control will be in effect starting tomorrow. To gain access to start and finish areas specific armbands will need to be worn. They are available to all team captains in the race office after this meeting. They are based on the number of athletes per discipline (3 athletes = 4 armbands for support staff, 2 = 3 armbands, 1 = 2 armbands).

TV production tomorrow: after the first training run we will have 1 forerunner run; then there will be track prep. After the 2<sup>nd</sup> training run one more forerunner for TV purposes.

Helmet stickers: Olympic rings helmet stickers are available for all athletes to wear on the front of their helmets. It is not mandatory but we would very much appreciate it for the look of the Games. The stickers can be picked up after this meeting in the race office.

UVEX visor headbands and stickers for the helmets: if you do not have the current and proper visor headband and sticker for the helmet, please see Karl-Heinz Anschuetz who has received sufficient supplies today. During competition we will be checking to ensure they are in place.

Weather forecasts are still in mailboxes for pickup. Congratulations and thanks to all the athletes for their cooperation in going through the mixed zone during the training and please continue tomorrow to go through the mixed zone at the end of training.

Bjoern Dyrdaahl requested that all athletes please wear race suits tomorrow or bring them so he can look at them so there will be no surprises on race day.

On February 13 during Men's runs 1 & 2 President Rogge of IOC will be present.

Weigh in sheets are in mailboxes now and can be picked up after the meeting.

Race office staff handed out group sheets for the draw. Review to confirm that within groups B, C or D the right names are beside the country. After the draw tomorrow names can be moved within the seeded group.

Questions:

Concern about the mixed zone: the athletes are being rushed to go into the mixed zone even before talking to their coach or getting their sled. Please allow them to do this and at least be able to get a jacket on.

Ed Moffat agreed that this is a reasonable request. We will take steps to remedy this for tomorrow.

Regarding track prep: today the ice was really good and they also used hot water to do the spritz. We would appreciate if they could do the same great job during the Games.

Ed Moffat stated that the track crew intend to do as good a job during the event.

Thanks for attendance.

The next team captains' meeting is scheduled for Friday, February 12, 2010 at 11:30 hours for the men's draw.

The meeting adjourned at 18:55 p.m.

## TEAM CAPTAINS MEETING MINUTES

FRI 12 FEB / VEN 12 FÉV START TIME / DÉBUT 12:00

Call to Order: 12:03

Welcome – Ed Moffat

Thanks everybody for attending this impromptu and unfortunate team captains meeting. At this time I'd like to say that all our thoughts are with the team captains and the athletes from Team Georgia.

Schedule change

The current session is postponed while the incident is being investigated. The investigation is being undertaken by the TDs, Markus Aschauer and Tracy Seitz. Once the investigation is completed we will determine a plan of action and communicate it to the teams. At this time we have determined we will add one more training run. There are two options:

1. Continue run 6
2. Complete rerun of run 6

Accident update

An athlete from Georgia has been transported to the clinic at the Athletes Village in critical condition. I will provide you with an update at 18:00 today through the sports information system at the village. I do appreciate your patience with this process.

Questions:

Will you definitely be adding a 7<sup>th</sup> run?

Yes, we will add a 7<sup>th</sup> run and will determine what to do with the 6<sup>th</sup> run.

Is there any chance the race itself will be changed?

I can't say at this point what will happen. Obviously we hope we can continue and have everything as scheduled.

Thank you very much. I will get back to you through the system at 18:00.

The meeting was adjourned at 12:09.

Announcement immediately following adjournment by Ed Moffat: I have just received a phone call from Chief Medical Officer and I regret to inform you that our athlete from Georgia has passed away.

## TEAM CAPTAINS MEETING MINUTES

SAT 13 FEB / SAM 13 FÉV START TIME / DÉBUT 7:30

Call to Order: 07:35

Ed Moffat – Good morning. I apologize for the delays in getting information out to you. Thank you for your patience and support during this difficult and trying time for our sport.

We will speak about the results of the meetings from last night and this morning, and we ask that you please hold all questions till the end and we will take as much time as necessary to answer them.

First, the TDs and the Jury have made the decision to lower the men's starting position to the Ladies Start handles. We will be conducting 2 training runs from the new start height starting at 09:00 today. The new schedule for today is being handed out. Sled trucks are at the Men's Start to move the athletes and sleds to Ladies Start immediately.

Second, the TDs and the Jury have made the decision to adjust the start height for the ladies and doubles competition – more info will be provided on this decision at the men's draw meeting at 12:30pm.

Third, there were changes made to the track over night that we will review now. Many of you have received have the sheet with the changes dated Feb. 13<sup>th</sup>. If not, they are in your mailboxes.

Following the investigation, the TDs have decided to make specific modifications to the exit of corner 16 which include:

- Increasing the height of the outside wall (Sliders left side) by 2.26 meters for a distance of 18 meters.
- Addition of a 1 meter high wall on the outside wall (Sliders left) for a distance of 10 meters from the end of the current wall.
- Increasing the height of the inside wall (Sliders right) by 40cm for a distance of 46 meters.
- Squaring off the curve of the ice between the base of the track and the side walls of the outrun

These changes were instituted overnight by a team assembled by VANOC and overseen by a FIL Technical Delegate.

Thank you for your support. Please understand that these decisions were very difficult to make but are supported by the entire leadership team.

### Questions:

1. GER – thank you to the whole team for your help through this difficult situation. We believe everyone will cooperate and the best athlete will win. All that matters is the sport and that it will stay a competitive sport. The only thing missing is the President or someone to represent the President right now to support the teams

President Fendt and Secretary General Svein Romstad are currently attending a press conference at the media centre. They have been up most of the night in meetings with the rest of the team. The FIL Executive Director is present at this meeting.

2. ITA – We understand that it was a hectic night last night and we understand the reason for the schedules changes. We don't understand why we can't get the information regarding the start heights for the Women and Doubles earlier than 12:30pm. Would it be possible to get more information now?

We appreciate your concern, but the decision has not yet been made. We can provide you with information prior to 12:30. We will communicate to the teams through the leadership at the start and finish as soon as the information is available.

### Other questions?

Craigh Lehto, Whistler Sliding Centre General Manager – would like to address the team captains on behalf of VANOC and the IOC. We have worked very hard overnight to create the best competition for you. On behalf of John Furlong and the race management team, Craig asked for everyone to rise and take a moment to remember our fellow slider Nodar. Thank you to the entire luge family.

Ed Moffat – I am honored to be the Race Director for this race and working with this group of team captains. We appreciate the way these meetings have been conducted, and your understanding of the decisions that have been made.

CAN – What will the start order be for the 6<sup>th</sup> and 7<sup>th</sup> run?

6<sup>th</sup> Run – same as the original 6<sup>th</sup> run

7<sup>th</sup> Run – Draw was made by the Jury last night. The start lists are available in the team mail boxes.

Meeting adjourned at 7:50am

## TEAM CAPTAINS MEETING MINUTES

SAT 13 FEB / SAM 13 FÉV START TIME / DÉBUT 12:30

Call to Order: 12:40

Ed Moffat: You heard the announcement earlier that we will be running women's and doubles competition from the Junior start. The women's training session this afternoon is from the Junior start. The training session scheduled to start at 12:45 will start at 1:00 to allow us time to prepare the start.

Welcome all team captains, guests, President Fendt, Technical Delegates, IOC representatives and our Executive Director Mr. Hartmut. I also would like to give a special mention to our Jury who has spent much time with us during the past 24 hours. I would like to ask President Fendt to say a few words.

President Fendt: Dear sports friends, yesterday was our worst day ever in our sport since being involved in the Olympics. I and also everyone from FIL is shocked about the tragic accident that happened yesterday in the track. Once again I would like to express my deepest sympathy. The reason I got here today and not yesterday is that we had lots of emergency meetings in Vancouver with IOC and it was impossible to come earlier. Jacques Rogge was also present at the meetings yesterday. He will be here today at 5 o'clock. I would like to thank everyone who had to make difficult decisions over the last 24 hours and hope these decisions are accepted by the team captains and the athletes. Every discussion was always coordinated and we always talked to VANOC and IOC for every decision. This morning Sven and I had to attend a really difficult press conference in Whistler. Due to this tragic accident there is big media hype around the sport of luge. We start today with the official competition and hope we have a great Games in the next few days. I wish you all the best over the next few days.

Roll Call: All 25 nations present: ARG, AUS, AUT, BUL, CAN, CZE, FRA, GEO, GER, GBR, IND, ITA, JPN, KOR, LAT, MDA, POL, ROU, RUS, SLO, SUI, SVK, TPE, UKR and USA.

Draw Men's Luge Competition Runs 1 & 2 by Omega:

Within each group, nations may change order of their athletes if they have more than one within the group.

- Men's seeded group A
- Men's group B (RUS changed order of athletes)
- Men's group C (CZE changed order of athletes; LAT changed order of athletes)
- Men's group D

The draw was approved by Sepp Benz.

Bibs can be picked up in the Race Office immediately following the meeting.

The next meeting is scheduled for Sunday, February 14 at 2100 hours.

Questions:

USA – What facilities are available on Junior start for women's and doubles?

Limited facilities: a heated container that can hold 6 to 8 people. We will provide transport from Ladies to the Junior start.

GER: Where will the doubles systematic training go from?

Because we are racing from Junior start we are not having doubles systematic training as had been scheduled. We will add a doubles run to the training on the first day, taken either as a singles run or doubles from Junior start.

We will post the schedule today for tomorrow.

GER: Regarding the Junior start height during Olympic competitions, we would like to suggest an additional container if possible for the ladies, and also an area to prepare the sleds if possible.

We are working on getting another container and will work on trying to provide additional equipment for you. I hope you understand we will do the best we can.

Thank you for your attention. Good, safe sliding this afternoon.

The meeting adjourned at 1300 hours.

Medal ceremonies in Whistler take place in the medals plaza. 1600 opening with free entertainment at 1800 and medals awarded at 1830.

Questions:

Russia on behalf of Georgia asked questions regarding a media release on the death of the Georgian athlete. Ed Moffat expressed condolences to the Georgian athletes and coach. He then responded that the proper approach would be to submit these questions in writing to receive a proper response from the appropriate people who were involved in the decision-making process.

FIL representative Claire DelNegro has not had time to review the article in question and is unable to give a response until she has done so.

The meeting was adjourned at 2151.

## TEAM CAPTAINS MEETING MINUTES

TUE 16 FEB / MAR 16 FÉV START TIME / DÉBUT 17:00

Call to Order: 1707

Mark Hatton introduced FIL representative Claire DelNegro.

Caire DelNegro: Welcome to final draw. President Fendt is busy preparing for the women's medal ceremony. On behalf of FIL I wish all doubles a successful race and all member nations a safe travel home and look forward to seeing everyone next season. Also thank you to organizing committee for seeing FIL through some very difficult days.

Roll Call: 11 nations present: AUT, CAN, CZE, GER, ITA, LAT, ROU, RUS, SVK, UKR and USA.

Ed Moffat: Welcome to the final team captains meeting for doubles draw. As we have done all week this will be a very short meeting.

Athlete transport: We are providing transport for athletes from Ladies to Junior start. We would appreciate athletes using that transport so they don't get out of order at the bottom. There is also only limited room in the container and we would like to control that so that the athletes can be inside. All of you have received keys for the container; please return keys to the race office tomorrow.

Draw for Doubles Luge:

- Group A
- Group B (UKR changed order of athletes; ROM changed order of athletes)

Draw approved by Sepp Benz.

Pick up bibs at the race office after meeting. Weight sheets will also be available.

The remaining FIL licences need to be picked up in the race office after the meeting: AUS (FIL), NOR, GBR.

Mark Hatton: Thanks to all the teams for the way they have conducted themselves throughout the races. It's been a Games no one will ever forget. The sense of family has been remarkable. As this is the last time we will all be in the same room for this event I want to congratulate all the teams.

Ed Moffat: Thanks to everyone on behalf of myself and my team of officials. Thanks for an interesting and exciting experience, friendship and most of all allowing us to be a part of your Olympic experience. Congratulations to all the teams. Good luck tomorrow and be safe.

The meeting adjourned at 1716.
